Dear Family,

Year 3 are trialling spellingframe.co.uk to help enthuse the children about spellings. Your child should have received a log-in card with their username and password. When your child logs in, they will be presented with a test dated with the date we will do the test. They will do the test at school, so they only need to use the games and 'Spelling Tiles' to practise their words. The words will all fit a particular pattern. If you are having difficulty using any of the games on a tablet, try it on a PC or laptop.

If you do not want your children to use the games, you can simply use the website and log-in to obtain that week's word list.

If you have any problems using it, or you don't have internet access at home, let me know as soon as possible.

Kind regards,
Mr Venus
