Things to consider when discussing E-Safety with your family...

Keeping safe

- How safe is our personal information?
    - Do we have strong passwords?
    - Do we all have usernames that don't reveal our full name?
- Have we considered parental controls which would be right for our family?
- Have we discussed online friendships and whether we can trust them?
- Do we need a family email address?
- Who will we talk to if we feel uncomfortable about anything we have seen or heard online or on a mobile phone or gaming device?
- When is it okay to download files, games or apps?
- Have we checked the reviews and ratings for apps and games?
- Which websites are okay for us to use?
- Should we open links from people we don't know?

Social Networking

- Do we know the age requirements to be on social networks?
- Who can I post photos of online?
- Do I know why it is important for my accounts to be private?
- Do I know what happens to an image once it has been posted online?

Gaming

- Which age rated games can I play?
- Am I aware of why PEGI is important?
- Can I play online with people I don't know?

Positive Online Behaviour

- How can I be a good friend on the internet?
- What will I do if I receive frightening or bullying messages?

Healthy Lifestyle

- How long can we spend online?
- Do we spend the same amount of time enjoying offline activities?
- Where can we use our devices around the house?

Golden Rule: Always tell an adult if you feel unsafe!

Our Family E-Safety Agreement

We agree to...

e.g. I will only use kind words when online.

Who is responsible for this?

e.g. We will all make sure we only post kind comments.

What should we do if we see something online that we don't want to see?

What happens if someone doesn't follow the agreement?
